A Nice and Accurate Colouring Zine

Thank You!

Hello, and thank you for supporting our zine.

We're all currently going through some very trying times, and so the idea behind this zine is to provide some measure of comfort- as well as some fun distraction- from the current state of global affairs. If nothing else, the Good Omens fandom is one that knows how to stay strong, even when doomsday seems near.

This zine contains 89 pieces of lineart for you to print out and colour, or to color digitally, if you wish. If you choose to post any pieces that you colour online, we ask that you please use either the #GOcolouringbook or #GOcoloringbook hashtags, or tag one of the zine accounts directly! We'd like to be able to reblog and retweet everyone's work.

In addition to this PDF, there are also three Google Drive folders which have been set up to accompany the zine.

This folder contains all of the pages as individual .tiff files, and is intended for printing purposes: https://drive.google.com/open?id=1iqDwhHnmp3_PdOU9m1NyOqmS6zoMpcU5

This folder contains all of the pages as individual CMYK .psd files, and is intended for digital colouring purposes: https://drive.google.com/open?id=1vNc-ulzX0Q24HxB8Xv8UW2i1LcTrpgD5

This folder contains all of the pages as individual RGB files, and is intended for digital colouring purposes: https://drive.google.com/open?id=1Wx9QmBqqJ_bUs54xLPbvUcki3IYor4Yz

Thank you once again for supporting our zine. All of the proceeds will be donated to the World Health Organization COVID-19 Relief Fund, and will go towards an excellent cause.

Stay strong, be safe, take care of yourself and each other, and most importantly: don't forget to be kind.
